A QUARTERLY NEWSLETTER

APRIL 2022

EAST POINT
GROUP OF INSTITUTIONS

BENGALURU

Release of Employment Regulations & Pay Scale and Quality Manual

Welcome Transformation!

The year 2022 began with a metamorphosis at East Point Group of Institutions. Dr. S R Shankapal, Executive Director - EPGI was the brainchild behind the Newsletter "Jnanaprabha." Smt. Ramadevi B L, Chair Person - EPGI released the first edition of the Newsletter with pride. Mr. S V Pramod Gowda, CEO - EPGI released the "Employment Regulations & Pay Scale" and "Quality Manual." Mr. S V Rajiv Gowda, CEO - EPGI inaugurated "Centre for Competency and Skill Development."

Student Achievement

Lopa Mudra, 3rd Year - Pharm D, won Miss India United 2021, organised by Ranai Model Management India. Subtitles given to her were Best Ramp Walk, Miss Style Icon, Miss Public Figure and Top Model India United.

Narahari Prasad B S, 3rd Year, CSE - Engineering has won gold medal in Taekwondo Nepal International Heroes Games Championship 2022, organised by International Youth Sports and Education Federation, Nepal.

Faculty Achievement

Dr. I Manimozhi
Principal investigator (PI) Dr. I Manimozhi, Associate Professor, EPCET, Co-Investigator (CoI) Dr. T K Sateesh, Principal, EPCET.

A grant of ₹ 11.50 lakhs sanctioned for "Effective Antibiotic Analysis for COVID-19 Pandemic Using Randomized Multivariable Drugs Resistance Machine Learning Model" under University – Institute (VTU-EPCET) UPI model in Visveswaraya University 2021-2022 (6065/10).

A grant of ₹6.00 lakhs was sanctioned for the research proposal titled "Detection and Prevention of Phishing Activities Using Machine Learning" under VTU Research Grant Scheme – 2021 (6065/9).

Dr. C Emilin Shyni
Principal investigator (PI) is Dr. C Emilin Shyni, HOD-CSE, EPCET. Co-Investigator (CoI) is Dr. T K Sateesh, Principal, EPCET.

Chair Person Speaks

Greetings!

By God's grace, I am happy to express that our East Point Group institutions is in a positive growth mode. We have set high goals for ourselves and we are putting our best efforts to make our institution - a leading institution; focus on the overall development of our students so that our student's aspirations are met and they become suitable not only for present-day job market, but transform themselves as global citizens.

New facilities are being added and well-experienced faculty members are joining our institution. A number of professional courses are being introduced from this academic year to train students on innovation, creativity and enhance their employability. Significant changes are being made to provide better student support in our campus. We are here to take feedback from all stakeholders and make up for the lacuna so that the institution meet the stakeholder's expectations.

I wish you an enjoyable learning experience in our campus.

Good Wishes,
Smt. Ramadevi Venkatpathi

CEO Speaks

Dear Readers,

I am extremely happy to note that the editorial team of East Point Group of Institution brought out the second issue of Quarterly Newsletter - Jnanaprabha. We have set high goals for ourselves to make our institution a premier institution. During the last quarter, a significant number of developments have been noticed in our campus.

We have received the requisite approval for the continuation of our medical program and the first batch of students will emerge during the end of this academic year. In due course, we will be offering a number of PG programs in medical. We have added advanced healthcare facilities to our hospital. A significant number of well-known and experienced doctors have joined as faculty members to our medical college as well as the hospital. We as an institution are on the move.

I am sure that you will have a better learning experience in the days to come and I wish you a very healthy and a happy life in the campus.

Compliments,
SV Pramod Gowda

CEO Speaks

Dear Readers,

The second issue of Jnanaprabha the Quarterly Newsletter of the Group of Institutions is in your hand. The editorial team has compiled this meticulously and presented the important events and activities that have taken place in the campus during this quarter.

During the last quarter, the Institution focused on modernising the teaching and learning facilities by adding a significant number of computers to the laboratories, projectors and whiteboards; working towards streamlining classrooms and libraries. We are sure that the newly joined faculty members have a fruitful inning at our institution.

For efficient administration of the institution, we have introduced a number of departments and experienced officers who have been inducted to run the departments. We have made significant changes in our curricula to prepare the students for 21st century job market. We as an institution are on the move. I wish you have an enjoyable learning experience in the campus.

Good Wishes,
SV Rajiv Gowda

Executive Director Speaks

Creative Thinking

A blind boy sat on a stair of a building with a hat by his feet. He held up a sign which said: 'I am blind, please help.' There were only a few coins in the hat. A man was walking by took a few coins from his pocket and dropped them into the hat. He then took the sign, turned it around and wrote some words. He put the sign back so that everyone who walked by would see the new words.

Soon the hat began to fill up. A lot more people were giving money to the blind boy. That afternoon the man who had changed the sign came to see how things were. The boy recognised his footsteps and asked, 'Were you the one who changed the sign this morning? What did you write?'

The man said, 'I only wrote the truth. I said what you said, but in a different way.' What he had written was: 'Today is a beautiful day and I cannot see it.'

Do you think the first sign and the second sign were saying the same thing?

The difference is of creativity. Isn't it?

Be thankful for what you have; be creative; be innovative. Think differently and positively.

Good Wishes,
Dr. S R Shankapal

Creative Activities

Counselling Centre

Masterclass Webinar by Dr. C R Chandrashekar, NIMHANS

Counselling Centre was installed on 16th February 2022. An in-house counsellor is available at all time to motivate and support the students. The motto is to maintain confidentiality.

Dr. C R Chandrashekar MBBS., MD., D.P.M, Former Deputy Medical Superintendent, Senior Professor of Psychiatry, NIMHANS conducted a masterclass webinar on 16th February 2022. Dr. CRC spoke about “Youth, Education & Mental Health for Modern Minds.” The speaker spoke about how a healthy mind helps the body to cope up with any kind of situation; a sound mind - sound body - sound family - sound environment is the key to build a better country. Dr T K Sateesh, Principal EPCET formally addressed the students on how Mental Health and well-being is a sign of healthy living. Convened by Prof. *Sharil A Anthony, Counselling Psychologist.*

Masterclass Webinar by Dr. Thomas Scaria

Dr. Thomas Scaria, Director Ecolink Institute of Well-being & ARCO India, Internationally Certified Addiction Professional, Global Trainer for UNODC and Colombo Plan conducted a Masterclass webinar on “Substance Abuse and Early Prevention” on 25th March 2022. Dr. Yogesh G S, Vice Principal, EPCET addressed the student fraternity and stated that abstinence is the best practice. The speaker had an interactive session with the students and discussed the reasons for students being vulnerable; commonly abused substances, the reason for drug consumption, progression of addiction stages 1, 2 and 3; co-occurring Substance Use Disorder and Mental Disorder; prevention programmes and early screening and interventions.

COUNSELLING CENTRE FACILITATES

- Positive behavioural changes
- Address poor study habits
- Prevent emotional and adjustment problems
- Improve personal and interpersonal functioning

HOSPITAL & MEDICAL COLLEGE

Skill Lab Inauguration

Smt. Ramadevi Venkatpathi, Chairman, EPGI inaugurated Skill Laboratory at East Point College of Medical Sciences and Research Centre. Dr. Prabhakar, Principal - Medical College, Dr. Narendra Datti - Medical Superintendent, Dr. Rajanna - Health Director, Dr. Shivkumar - RMO, Dr. Ramdas - Additional MS and Mr. Erappa were present during the event.

The purpose of a skill lab is to offer students a simulated environment where they can learn and practice various skills under adequate supervision thereby reducing risks involved in direct patient exposure with suitable practice and supervision. This lab is controlled and guided to conduct programmes in a safe and protected environment in which the learner:

- can practice clinical skills before using them in real clinical settings
- acquires scientific and technological knowledge
- acquires investigatory skills
- comprehends patient management, clinical reasoning and critical appraisal
- learns presentation, communication and documentation skills

Mr. Deepak of 5th semester participated in online course on “Geoinformatics for Bio diversity Conservation Planning” by ISRO.

Prof. Geena George is qualified for the award of the degree of Doctor of Philosophy In Faculty of Civil Engineering Sciences with Effect from 30th October 2021 from Visvesvaraya Technological University, Belagavi. THESIS TITLED: NOVEL APPROACH FOR REPLACEMENT OF AGGREGATES WITH FLYASH AGGREGATES.

Department of - Basic Sciences

A Quiz Competition was organised by Dr. Maruthi G, Dean, Student Affairs. Participation was encouraged and students were challenged with tough round. The students who performed well were selected for the first three positions.

ECE students were taken to Visvesvaraya Industrial and Technological Museum. Students explored the museum from 10 am to 3 pm. Dr. Yogesh G S, Dr. Rangaraju, Prof. Praveen, Prof. Vishnupriya and Prof Gayathri, coordinated the visit.

Sports day was organised by Mr. Suresh, Sports Manager, Prof. Ravindra, Dr. Doreswamy, and Dr. Rangaraju. Athletic event such as 100 meters, 200 meters and 400 meter relay took place. Volley ball, Kabbadi, Javelin Throw were the main events.

ENGINEERING

Department of - ECE

A technical talk on Introduction to VMware was organised on 21st February 2022 to motivate the students to understand and know the importance of Virtualization concepts. Dr. Heena Kousar, Associate Professor, Dept. Of CSE, EPCET, Bangalore was the speaker.

Guest lecture

Dr.Nagraj Seetharam, HOD, Civil Department, EPCET spoke on "Project Proposal Writing" in 23rd February 2022.

A five-day workshop on PCB Design was conducted from 7th to 11th February 2022. Mr. Kotresh Mundurgi, Managing Director, Indian Tech Key, Bangalore and Ms. Shrenika R M, Technical Engineer, Indian Tech Key, Bangalore were the Resource Person.

A webinar on "Job Opportunities in IC Design" was organised on 1st February 2022. The speaker was Mr. Mahindra B M, Senior Verification Engineer, SiSco Semiconductor Pvt Ltd.

An Open Research Talk on "Implementation of Computer Aided Automatic Diagnostics System for Breast Cancer" was organised on 22nd February 2022. The speaker was Prof Vijaya Madhavi C M, Associate Professor, Dept. OfECE, EPCET.

Department of - EEE

Examination Tips for Students

- 1.**Take it cool:** Focus on your strengths and do not compare with others.
- 2.**Do teamwork:** Study in groups now and then. Complex topics can be made easy and simple by involving friends.
- 3.**Take a break:** When you feel like reaching a limit take a break by going for a walk, playing outdoors or meeting friends.
- 4.**Avoid distractions:** Limit time on the internet, social media and playing mobile games.
- 5.**Eat healthy:** Fruits, vegetables, legumes, grams are comfort foods. Take curd, drink warm milk, juices and plenty of water.
- 6.**Sleep well:** Brain encodes information it has received during sleep. Students who rest well perform well.
- 7.**Exercise:** Helps you to focus better.
- 8.**Stop panicking:** During stress, brain releases neurotransmitters that can damage the neurons affecting memory.

PHARMACY

Freshers Day

A euphoric freshers day event - Avishkaar was witnessed on 26th February 2022. Students participated in a lively discussion with Dr. S R Shankapal, Executive Director, EPGI, who also provided information to students regarding pharmacy courses and their scope. Higher semester students welcomed the freshers of B Pharm, Pharm D, D Pharm and M Pharm. This event was an opportunity to unfold talents and extend a friendly environment to the new students.

Webinar

The first online event of the year 2022 was a guest lecture by Mr. Manoj Kumar Yadava. Digitalisation is promoted in the pharmaceutical and healthcare industry through his company—Pharma Pulse. Mr Manoj delivered a lecture on pre-publication review, which involved learning the how-what-where of publication. Students of M Pharm and Pharm D, discussed the role of social media and websites used in research programme.

Guest Lecture

Dr. Lokesh Prasad, Scientific Officer and Government Analyst in Drug Control Department, Government of Karnataka. A guest lecture on the “Role of drug testing in Public Health and Scope for Pharma Students in Drug Testing Lab” was held on 18th February 2022. Students were acquainted with drug analysis and its field of studies such as organic chemistry, inorganic chemistry, pharmacology, pharmaceuticals and pharmaceutical analysis.

Sports Day

A two-day Sports Meet was held on 11th and 12th March 2022. All Pharma courses were divided into 4 groups. A bright day with various activities such as Kabaddi, athletics, relay, shot put, javelin throw, discus throw and badminton were conducted. The first day was athletics followed by group events on the second day. The college sports ground roared with applause for the winners.

HIGHER EDUCATION

A total of 6 students were offered to join their momentous journey with Kotak Life.

Alumni and Testimonials

East Point Group of Institutions is a great place for students to learn and grow, the environment is amazing and friendly. It has multiple colleges including Engineering, Higher Education, Pharmacy, Medical college and more. I personally am happy with Placement Department. This department encourages students and supports them throughout the journey of college life. I was offered letters from various companies.

Jyothi Bhattacharya, EPCHE

The college motivates all the students in academics, hobbies, sports etc. It was a positive experience. I would recommend everyone who wants to study. East Point is one of the best colleges in Bangalore. Great infrastructure and designs. Training and Placement Department is appreciated for its efficacy.

Ramya Priya, EPGI
